

PESCA

MAR & TERRA BISTRO

About us

Based on the principles of Cocotte Farm Roast & Winery, which is to provide organic and local products to its customers. With this in mind, Pesca is indeed a market-to-table concept, offering a great selection of fresh products, carefully selected with the help of passionate fishermen, farmers, butchers and cheese artisans. From our amazing seafood, to our juicy steak and organic vegetables and not to mention a luxurious display of cheese and cold cuts. This united diversity opens doors for our talented and prized chefs allowing them to express their full creativity in the kitchen, taking you on a mouth-watering journey.
